

Fill out your top 3 actions – you can choose to **add an action** by choosing to change one of the levers in En-ROADS or **reverse a previous action** that another group proposed. You can propose 1 action per round.

1.

---

2.

---

3.

---

*As you prepare your short speech, remember to include a co-benefit of your action (how might you be able to address more than one problem with one action?) and an equity consideration (how might your action ensure that vulnerable people are not disproportionately burdened and/or left out of the benefits?)*
